**Planning to do higher
studies ??**

**Where to get
details ??**

Problem

Available course web page,

- ❑ contains only the research based PG courses.
- ❑ lack of details about the courses and the content coverage.

Our Solution

- ❑ Develop an informative web site to keep course details.
 - ❑ Separate web page for each course.
 - ❑ Detailed course page with statistical data.
- 

Why course page ?

Helpful for,

- ❑ students to get interested in doing higher studies.
- ❑ internal and graduated students who are willing to register for postgraduate courses.
- ❑ lecturers and visiting lecturers .
- ❑ academic persons who are willing to join the department as a staff member.
